REPORT ON THE STUDY CUM EXPOSURE TRIP, 2017

The Department of Botany, Tura Government College conducted a study cum exposure trip for the students of 4th Semester, 2018 to Sikkim on the 15th to 20th June, 2017.

VISITING PLACES:

1. Sikkim-
 - a. Gangtok
 - b. Tsango Lake
 - c. Nathula Pass
 - d. East Gangtok
 - e. West Gangtok
 - f. Rumtek Monastery

BENEFIT OF THE TRIP TO THE STUDENTS:

Exposure trips give the student a welcome break in the routine. It erases the boredom of classroom lectures, and it awakens student's interest to learn and get new learning information.

The trip also benefitted the student by allowing them to encounter new environments and new cultures. During such trips students can feel a sense of accomplishment by broadening their interactive skills and knowledge. By seeing real-life application of the lessons that they are learning in their college, students will be more likely to understand and appreciate the importance and relevance of what they are learning.

RELEVANCE OF THE TRIP TO CURRICULUM:

For the student of botany the exposure trip is significantly important. Its relevance can be seen from the fact that such trip is also encouraged in the syllabus in the form of a field trip, to enlighten the students with the diverse vegetation around.

This trip allows the student to experience a very different type of vegetation present in Sikkim.
